

## OUR MISSION

Building long term relationships with our clients is something Taranto Electric, Inc., strongly believes in and we go to great lengths to ensure our valuable clients receive first rate service. Over the past years, we have built our solid reputation on the quality of our services and aligning ourselves with suppliers who share in that same vision of providing superior service, which has contributed to our success.

Our professionally trained technicians are equipped to get the job done accurately and safely. We will provide the services you need to meet your goals. We would appreciate the ability to proceed with a new business relationship with your organization. If you have any questions, please feel free to contact us.

Residential - Commercial - Service

*"For all your electrical needs."*
